

Corrigendum

Corrigendum to “One-pot hydrogen production and cascade reaction of furfural to bioproducts over bimetallic Pd-Ni TUD-1 type mesoporous catalysts” [Appl. Catal. B: Environ. 237 (2018) 521–537]

The authors regret that the names of the chemical compounds 2-(ethoxymethyl)furan, 2-(butoxymethyl)furan and 2-(alkoxymethyl)furan were published with systematic error. The names “2-ethoxyfuran”, “2-butoxyfuran” and “2-alkoxyfuran” should always read “2-(ethoxymethyl)furan”, “2-(butoxymethyl)furan” and “2-(alkoxymethyl)furan”, respectively. The name and chemical structure of 2-(alkoxymethyl)furan were published with error in Schemes 1 and 2; the chemical structure is reproduced correctly bellow. These corrections do not change or compromise the catalytic results and discussion of the original article.

Table 3 includes data for bimetallic catalysts only (please ignore “mono-” in its title).

The authors would like to apologise for any inconvenience caused.
